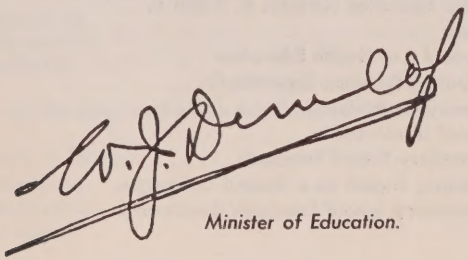
FOREWORD FROM THE MINISTER

Last year 5,585 Ontario teachers attended Departmental Summer Courses. There is proof in this that teachers are interested in their work, and that they are willing to devote time and energy, to say nothing of the financial outlay, to improve their qualifications, to increase their knowledge, and to develop new skills. Actually no proof is needed for what is an indisputable fact.

The Universities of Ontario also provided a number of courses for teachers last summer. There are reported to be 4,000 of our teachers enrolled in University courses and proceeding to degrees. The plan announced last year of endorsing Secondary School Teachers' Certificates to show additional university credits has already proved its value, and the universities have shown an eagerness to assist in this work.

There is a great variety in the list of courses presented in this booklet, and I hope that they will prove to be attractive. If the courses are to be of maximum value, the instructors must provide new ideas or a chance to practice new techniques, and those attending must also contribute by bringing and sharing their own experience and special gifts.

I commend these courses to the attention of the teachers of Ontario.



Minister of Education.

Toronto, February 19, 1959.

   One copy is being sent with each General Announcement and additional copies may be obtained upon application to the Deputy Minister.

3. The Mimeographed Circular regarding each course

   Before making application for admission, each teacher is urged to write to the Deputy Minister for the Mimeographed Circular which gives information regarding the course in which he is interested.

GENERAL INFORMATION

ADMISSIONS

1. The admission requirements for each course are outlined on the following pages. Teaching certificates mentioned are those issued by the Ontario Department of Education.

   Teachers-in-training at the Provincial Teachers' Colleges and the Ontario College of Education and teachers who hold Letters of Standing are eligible for admission to any of the courses for which they are otherwise qualified.

2. Application forms for admission to the courses should be filled in and addressed to the Deputy Minister, Department of Education, Parliament Buildings, Toronto.

3. For the satisfactory organization of the courses, applications should reach the Department **not later than May 25.** No assurance can be given that applications received later than this date will be considered. Late applications will not be considered in any courses where it becomes necessary to limit the enrolment. Applicants are advised that Letters of Admission may not be mailed from the Department before June 9.

4. If, as a result of the small number of applicants, the Department should decide not to provide a course, applicants for admission thereto will be duly notified.

TRANSPORTATION

Reduced fares will be granted by the Canadian Passenger Association to teachers and dependent members of their families who accompany them, from stations in Canada. The teacher should purchase a one-way ticket at full fare from his home station to the place of the Summer Course and obtain from the ticket agent a standard convention certificate. Upon presentation of this certificate, signed by the Principal of the course, a ticket for the return journey may be purchased at one-half of the regular one-way fare. These reduced rates may be obtained during the three days before the opening of the course and not more than three days after the close of the course, not counting Sundays. Return tickets are valid for 30 days and will permit of stop-overs, but they must be presented within three days of the close of the course.

REGISTRATION

1. All applicants shall present themselves for registration not later than 9.00 a.m. on the first day of the session at the places at which the courses are to be given.

2. In the five-week courses the classes will be organized and the work will begin not later than the morning of the second day.

3. In the short courses the work will begin during the morning of the first day.

ATTENDANCE

Since the courses are brief and the work concentrated, regular attendance is required. There is no provision for admitting teachers who are not prepared to attend regularly for the full period of the course.

Since each Summer course is a complete unit designed to occupy the full attention of those attending, it is not possible for a teacher to be admitted to more than one course during the same period.

FEES

Each teacher admitted to a five-week course, with the exception of the Secondary School Principals' Course, will be required to pay a fee of $10.00. The fee for the Secondary School Principals' Course will be $25.00. The fee for a course lasting two weeks is $5.00 and for a one-week course it is $2.00. (The refresher course noted on page 23 is an exception.) **Fees are payable in cash** at the opening of the course to the Principal in charge. Ex-service men and women may be exempted from paying fees if, at the time of registration, they present documentary evidence of honourable discharge from active service.

A swimming pool and tennis courts are available at Guelph for the use of Summer School students.

NOTE—A fee of fifty cents per student will be levied for social activities and athletics.

Art

ELEMENTARY

The elementary course is offered in both Kingston and Toronto. To this course may be admitted an applicant who holds a certificate or a Letter of

Standing qualifying him to teach in an elementary or secondary school in Ontario.

To enrol in this course no previous special training in art or crafts is necessary.

The course is offered so that teachers may have a broad survey of art and crafts activities in relation to general education. It will aid prospective specialists in art and crafts work to discover their particular abilities and in the future to select courses leading to the advanced certificates.

Those enrolled will be offered a wide choice of activities and units of study. Individual problems of the students will receive attention.

Students will complete several examples of art and crafts work and the integration of this work with other school activity will be stressed. Discussions of contemporary thought in philosophy, psychology and pedagogy connected with art and crafts will be held for those who are interested. Outstanding specialists in various fields of art will lecture on their particular fields, while the core work of the course will be guided by teachers who have had outstanding success in teaching in the ordinary classroom situation.

A candidate who, in the opinion of the staff of the summer course, shows an intelligent insight into the use of art and crafts in general education and a reasonable technical skill in the manual work completed in the course will be granted an Elementary Art Certificate.

INTERMEDIATE, PART I

This and subsequent Art Courses described below are offered only in Toronto. To this course may be admitted an applicant who holds the Elementary Art Certificate, or who submits evidence of the successful completion of an equivalent course.

Teachers will continue to explore the various media and techniques with which they dealt in the elementary course. Some specialization in both art and crafts will be expected and artists and craftsmen will assist teachers to achieve greater proficiency in their chosen work. Those enrolled in this course are advised to attend a series of lectures dealing either with recent developments related to art teaching or with trends connected with design.

Students who complete the work of Part I of the Intermediate Art Course satisfactorily will be given a statement to this effect.

INTERMEDIATE, PART II

To this course may be admitted a student who holds a letter for Part I of the Intermediate Art Course or who submits evidence of the successful completion of a course the Minister deems equivalent to the Intermediate Art Course Part I.

This course will be a continuation of the work taken in Part I of the Intermediate Art Course. Students who complete the course satisfactorily will receive an Intermediate Art Certificate.

SUPERVISOR'S

To this course may be admitted an applicant who holds a certificate or a Letter of Standing qualifying him to teach in an elementary school in Ontario and an Intermediate Art Certificate, or who submits evidence of the successful completion of an equivalent course.

Candidates for the Supervisor's Certificate in Art will be required to demonstrate an intelligent insight into the use of art and crafts in general education, a reasonable technical skill in the manual work completed in the course, ability in two-dimensional and three-dimensional work, and a knowledge of historical trends in design.
